SUMMER FLYER
2018

INTRODUCING THE 5700SL SERIES.
A MID-RANGE TRACTOR WITH HIGH-END WRITTEN ALL OVER IT.

When it comes to mid-range tractors, you’ll be hard-pressed to find another brand with more years of experience, working in more crops and conditions, in more places around the world, than Massey Ferguson®. And every bit of that experience is in the 5700SL Series. Stylish on the outside, comfortable on the inside and premium from top to bottom. Offering unmatched visibility with our steep-angle hood design, unparalleled versatility to handle any attachment and the high performance you’re looking for, all in a smaller 110-130 HP package. You can find a bigger tractor. But it would be tough to find a better one.

This is a game-changer. The 4700 Series is the biggest Massey Ferguson® R&D project ever. The goal was to create the most heavy-duty, versatile tractor in its class. So there’s more power for greater lift capacity and pulling heavier implements. Yet it’s nimble enough to maneuver through any operation, making it ideal for hay, dairy, livestock and municipal duty. Come see the result.
